

## FSU AHEC Program Tobacco Treatment Specialist Training Cancellation/Refund Policy

Due to the limited number of spaces and the costs to facilitate this training, we have implemented the following cancellation/refund policy with all registration fees applied toward attendance at the FSU College of Medicine AHEC Tobacco Treatment Specialist Program.

**Greater than 15 Days:** Registrations cancelled more than 15 business days from the program start date will be granted a refund, less a \$25 cancellation fee. Alternatively, the registration fee may be transferred to another participant within the same organization or to a future, previously scheduled Tobacco Treatment Specialist Program. The registration payment may be transferred **only one time** to a future training. If the future training has a higher registration fee, you will be responsible for the difference. Suwannee River AHEC (conference management) must be notified of the cancellation/transfer more than 15 business days in advance of the program start.
